Summer Schools in Germany

Duesseldorf and Berlin live: Learn German – Experience Germany Summer, Intensive and Premium Courses, Business German, TestDaF, DSH, Zertifikat Deutsch and WiDaF preparation

The IIK Duesseldorf attracts those who recognize the advantages Europe has to offer, such as premium universities at low costs, along with high standards of living. The IIK offers participants the opportunity to gain a two-pronged advantage within the heart of Europe. In 8 months, students can learn enough English *in addition to* German to be able to study or work in either country or globally. The IIK has a licensed testing centre, particularly for German (TestDaF, Zertifikat Deutsch, WiDaF) and English (TOEFL, TOEIC). The attendants also benefit from the lovely natural surroundings and dynamic economy found in the cosmopolitan city of Duesseldorf. Participants can easily travel throughout Europe. The IIK also offers excursions to nearby cities. To complement the studying, the IIK also has an online presence containing blogs, sound slides and pod casts. There is also an extensive program offering students activities during their free time.
