Bahrain

Niedersachsen Delegation to Bahrain

Dear Mr Al-Ansari,

It was indeed a great pleasure to meet with you during our delegation's stay in Manama. On behalf of our business delegation from Niedersachsen, I take the opportunity to thank you again for your support and kind hospitality during the Niedersachsen symposium on "Energy Efficiency in Buildings" at the Ritz Carlton Hotel, Manama.

Besides, I wish to thank you personally for your warm and amicable invitation to your majlis. I was overwhelmed about the atmosphere and the close contacts I was able to establish and I am looking forward welcoming you here in Hannover so we can return the favor.

Our delegation members were impressed by the interest of Bahraini businesses in products and services from Niedersachsen. During the symposium a number of individual contacts could be established and these hopefully will lead to a fruitful cooperation between the Bahraini companies and ours as well as between your Bahrainisch-Deutsche Gesellschaft e.V. and our chamber.

Please be assured that I will put my utmost effort into strengthening our contact into a long term and thriving and prospering cooperation. For that reason, I would like to warmly extend my invitation to visit Hannover with a delegation from your Bahrainisch-Deutsche Gesellschaft e.V. Maybe this could be arranged together with the Bahrain Chamber. Therefore, I have also written to Dr. Fakhro. An ideal time would be during the upcoming Hannover Industry Fair, to be held from 4th until 8th of April 2011.

We would be pleased to arrange an interesting itinerary for all delegation members at the trade fair grounds, in visiting renowned local companies, both large as well as mid-size companies. We offer to arrange networking meetings and company visits according to your interests.

I have discussed this proposal with Minister Bode as well as with the CEO of Deutsche Messe AG, Dr. von Fritsch. Both are strongly supporting this proposal.

Thank you very much for the consideration,

Sincerely,

Wilfried Prewo
Chief Executive
